Sara Howell is a long time (25 years) member of the Fibre Friends, who celebrate their Annual Valentine party at OCC. Fiber artists all, they make hand made presents and have an exchange and everybody goes home with a great gift. Why Valentine's Day? Too much to do at Thanksgiving, Christmas and Easter.

Nonresident member **Elizabeth Parsons** from Seattle WA celebrated her 93rd Birthday at an OCC lunch. She's been coming here for 40 years and the young and old girls who helped her observe her long life say a good time was had by all, especially Elizabeth.

Last year, a true labor of love, *I'm Third, An American Boy of Depression Years*, was edited by **Ellie Nordyke** and her granddaughter, **Aimee Grace**, about the late Robert Nordyke, M.D. Dr. Nordyke had recorded his early life stories and his family decided a fitting tribute to him would be a compilation, which ended up being a 150-page large size hardback book filled with pictures and stories of a life well lived.

Ellie reports a lovely 2003 with many members of her family. Colorado resident daughter Carolyn and family accompanied her on a cruise in England and Scandinavia. Followed by a visit to California to observe the new born Brian Nordyke Bell (9 lbs., 10 oz), son of Susan (Nunu) and Doug Bell, and a family holiday at Christmas here in Honolulu. The book was their gift to each other that will be a family treasure.

A warm Aloha to **Leighton and Linda Taylor**, nonresidents, here visiting from their Cloud View Vineyards in St. Helena, CA. A former Aquarium Director, Leighton was invited to the Aquarium's 100th birthday celebration. Leighton is a nationally recognized shark expert and can still see the Pacific Ocean from his Merlot vineyard at Cloud View. The Taylors will be back in June, joined by son Rob Taylor and his family.

Scott Hendricks, Byron Ho and Chris Kincaid were having a decent Hawaii Kai run when four whales decided to join them outside of Aina Haina on March 23. The adult whales broke the surface of the water within six feet on either side of Scott and Chris. Lots of Hail Mary's and expletives went around, and the boys managed not to huli.

The Koa Lanai was the perfect setting for the Chaminade University President's Council Dinner on March 8. The 70 guests enjoyed an exquisite sunset, cocktails and dinner hosted by **Vincent and Angela Mancinelli**.

In addition to the faculty award program, the Chaminade Samoan Club thrilled the group with a surprise performance

Guido Salmaggi, who closed out his career singing the Star Spangled Banner at the Macfarlane Regatta last July 4th, gave his farewell performance for the Cincinnati Reds baseball team that holds spring training in Sarasota, Florida where he lives part of the year. His performance drew most of the TV stations in Florida. Before the final performance in front of 22,000 baseball fans on March 5, the Mayor of Sarasota proclaimed Guido Salmaggi Day.

"I have now come to the end of my singing career," Guido writes. "My wife Maria and I are waiting for our condominium in Waikiki to allow small pets (as in Pomeranian "Bijou") and we'll be moving back to the beautiful Islands we love."

Club Captain's Report

Coaching Workshop

A Positive Coaching Alliance workshop was held for all athletic coaches on March 29, 2004 in the Board Room. Approximately 25 coaches from the paddling, volleyball and surfing programs attended this "Dual-Goal Coaching" workshop. Dual-goal coaching emphasizes the physical and emotional development of all athletes by; re-defining winning, honoring the game, and filling the emotional tank. The motto of the PCA is to *transform youth sports, so sports can transform youth*. We encourage every junior coach to participate in these PCA workshops.

Paddling Registration

Late registration for the Canoe Racing Regatta Season may be completed at the Front Desk. Participants must be at least 10 years old, have his/her own membership number and a copy of a birth certificate or driver's license. The first regatta is June 6. Contact Siana Hunt for information.

Canoe Vandalism

Minor vandalism to one training canoe and theft of a set of *iako* and *ama* occurred at the Ala Wai site in late February. The incident was reported to HPD. Apparently other canoe clubs are experiencing an increase in these incidents. The Canoe Racing Subcommittee will address the off-season storage of training canoes.

Boat Lockers

We ask members with inactive boat lockers to voluntarily release them so our active paddlers may use them for training. One-man training is essential to being competitive in the open divisions. Please contact Evelyn in the Business Office to release your boat locker temporarily for the paddling season or permanently.

Summer Activities

The Beach & Water Safety subcommittee has been very active and will be making announcements for various clinics and programs for the summer. Watch for Aka Hemming's Saturday Canoe Steering Clinics for all members. The new Ko Kai Nalu Program (Youth Water Safety) for 12-18 year old members is scheduled for June 7-12. This rigorous waterman program will have limited enrollment for qualified athletes. Contact Don Isaacs at the Beach Services desk for registration. Go to Ko Kai Nalu Program on the web site for more information. Terri Needles and Kisi Haine will also be holding their Learn to Surf Clinics for all members. The annual summer activity program for children has been discontinued.

Canoe Racing Support

Member attendance at canoe racing regattas has been dwindling the past several years. We ask members to go out and support our athletes during the regatta season. Our paddlers have won three consecutive OH CRA Championships and our crews are looking even stronger this season. Moreover, our elite men and women are positioned to win the Molokai Races this fall, so go out and cheer them on to victory!

Canoe Racing PADDLING 2004 UNDERWAY

By Genie Kincaid

Early registration in March was a big success, with 275 members signing on to compete for the Club. The big push to get members to sign up early was partly to avoid the hassle of last minute registrations, but primarily because the Hawaiian Canoe Racing Association is standardizing paddler registration identification cards for all the island associations.

If you missed registration in March, it's not too late to get in on the action. Just go to the Front Desk to complete the paper work and get a digital photo taken. If you have any questions, please contact Siana Hunt for details.

Anthony Hunt will repeat as Head Coach, and Keoni Kino will continue his leadership of the junior program as Youth Coordinator. Keoni will also coach the Boys 13s, 15s and 16s. Todd Bradley will coach the Boys 12s. Jaren Hancock and John Marshall will co-coach the Boys 14s. The Boys 18s have Scott Rolles. Kala Judd will try to bring the Molokai Hoe back to the Outrigger as Men's Head Coach. Tom Harrer will step up to coach the Girls 12s. The Girls 13s and 14s are fortunate to have Tiare Finney and Kelly McMahon as co-coaches. Liz Perry will work with the Girls 15s, while Steve Van Lier Ribbink will coach the Girls 16s. Both Steve and Katie Bourne will coach the Girls 18. John Puakea will continue to build on last year's success as Women's Head Coach.

Every year, registered paddlers get a Club T-shirt as part of the registration fees. This year the Canoe Racing Committee will be selling cool visors to anyone who wishes to support the canoe racing program and promote the Club. Balancing the budget is always a ticklish endeavor, so the Committee will use the proceeds from the sales of the visors to minimize costs. The visors will be available in time for the first regatta. Check the June issue for further details.

One item of interest is that our prized koa canoe the Kaoloa is being reshaped in an effort to make it easier for the junior paddlers to maneuver. The work, which is being masterfully handled by our own Domi Gose and Joe Quigg, should be completed by June.

It should also be noted that Jay Dowsett has been hard at work, repairing and refinishing all of the Club's practice canoes in time for the upcoming season.

Information, whether it comes from the Canoe Racing Committee or any of the crew coaches, is constantly updated through out the regatta season, so be sure to check the Tunnel for posted announcements.

Wax Up Your Boards for the (Early) Summer Surf Contest at the Outrigger

By Mark Jackola

You can almost feel the vibration, as the summer surf is right around the corner. We are getting ready for the annual Summer Surf Contest at the Old Man's break some Saturday with waves in May or June. This event promises to be one of the best yet, with all age groups receiving awards.

Sign up on one of the sheets posted in the locker rooms so we can call you on the phone on the evening before the meet.

Divisions

Menehunes: Girls and Boys 12 & Under

Juniors: Girls and Boys 12 to 18

Open Men's: 19 to 49 Years

Master Men's: 50 years and older

Open Women: Women 19 and older

Canoe Surfing: 3 person Men's, Women's and Mixed

The Open Beach Boy event is a new twist on the old style beach boys who paddled and surfed waves standing up with a long canoe paddle. Buffalo Keaulana revived this event at his recent Makaha meet. In honor of the beach boys we will include this division in our upcoming contest, too.

Get ready for some great times and remember to sign up now! We will call everyone who has signed up the day or so before the Saturday meet. Yeah!

And don't forget to bring your ukulele, too. Nothing could be better than enjoying great surf, great friendships, kau kau and beverages, and sporting your "one-of-a-kine" competitor t-shirt.

There will also be a surfing gear raffle for some great rad pads, leashes, and assorted surf equipment. The meet will only be held when the surf is up (3-4 foot minimum) so start training now!

The Outrigger surfers come in all shapes, sizes and ages so we expect to see you all there!

Kō Kainalu Program

of or belonging to the ocean wave

All Jr. 'Riggers ages 12-18 are invited to apply for the Kō Kainalu program, brought to you by the OCC Beach and Water Safety Committee. The program is intended for youth members who want to develop and enhance their ocean-related skills.

Successful graduates will follow the tradition of a long line of Outrigger Canoe Club members who symbolize the essence of the waterman/woman including Duke Kahanamoku.

The course format is similar to the City's junior lifeguard program offering a challenging curriculum of classroom lessons and active physical skill development. OCC Beach Services staff will be assisted by guest instructors.

Participants must be competent ocean swimmers and will participate in vigorous physical activities daily.

The program will be held June 7 to 12 from 8 a.m. to 1 p.m. each day. The deadline for applications is May 15.

OCC Beach Services personnel will conduct the swim test, for those interested in applying for the program.

Participants must be able to swim 250 meters in the Kaimana Channel, to the windsock and back, in less than nine minutes. To take the test, ask beach service personnel at the Beach Desk. The swim test must be completed prior to May 15.

They must have a swimsuit, fins, mask and snorkel, and wetsuit top (optional). Surfboard, or other personal water sports equipment is optional.

Students must attend every class session to receive certification.

Other instructors are Ricky Grigg, reef structure and wave forecasting; Guy Pere, jet ski operation and rescue techniques; Rob Farrow, character development and life skills; Dean Stowell, diving theory and practice; Don Issacs, First Aid, CPR, nautical skills and sailing; Dolan Eversole, environ-

mental awareness and coastal processes; Courtney Seto, fire search and rescue techniques; Brian Keaulana, hazard and risk ID; Walter Guild, canoe paddling history, tradition and modern practice; and Fred Hemmings, canoe surfing.

Enrollment in the program is limited. Applicants must pass the swimming test, answer three questions and provide a short essay (250 word) on why they want to be in the Kō Kainalu program. Also required is a copy the applicant's report card with current GPA.

Selection criteria will be based on meeting above minimums and a submitting a questionnaire outlining qualifications and experience. A personal introductory letter is required for consideration including background, achievements and personal goals.

The Junior Waterman special committee and B&WS committee will review applications and select applicants.

TWO MORE REGATTA CHAMPIONSHIPS

OUTRIGGER SWEEPS MACFARLANE DAY AND OAHU CHAMPIONSHIP CANOE REGATTAS

The powerful machine that is Outrigger Canoe Club's entry in the 1970 canoe racing season, continues to blaze its way with two more regatta championships. The Outrigger has this year, taken top honors at the first four regattas and now looks with confidence toward the State Championships to be held at Nawiliwili Harbor on August 1st. This year's outstanding performances are due in no small respect to our superb turnout for the wahines' crews. For the first time in years, we have a full compliment in the wahines' events. Our Novice girls "A" and "B" teams are real point winners along with the Junior girls followed closely by the Freshmen girls. Our Senior Wahines allow us for the first time in years to enter the full offering of 14 events. All this participation by the girls makes not only for beautiful scores but also beautiful races.

MACFARLANE DAY JULY 4th

Outrigger power really showed in this year's 4th of July races. The Outrigger totaled an unprecedented 50 points with 7 first places and many strong seconds to out distance Waikiki Surf Club who took second place with 38 points. The surf was quite mild compared to last year's first break sets, however as small as it was, it had its effect in determining the outcome of more than a few of the events. In some cases we were aided by the surf and there were events where it helped not a bit, notably the Senior Men's race in which we once again lost out to Waikiki Surf Club by an extremely small margin after having led the race at each turn of the outside markers. Surf Club aided by a small wave was able to coast by our crew not once, but twice.

OCC Running Team Is Alive and Well

By Katy Bourne

We spent the night together and what a night it was. The OCC Running Team represented OCC once again in grand fashion throughout the Perimeter Relay. We carried the OCC nighthawk perched upon a snorkel 140 miles around the island. A bit of rain, mud, moonlight, stars, bullfrogs and bad jokes carried our crew through 17 hours of non-stop running.

Chris Law and Peter Bourne drove as six of us cheered while one was blazing down the road with the nighthawk.

The OCC Mixed Team members Britta Bourne, JoAnne Klinke, Gino Merez, Stefan Reinke, Matt Kresser and Katy Bourne each ran approximately 20 miles.

Some ran up to 10 miles at once, while others ran through huge mud puddles and over boulders around Kaena Point. In the end, we were weary eyed but full of smiles, hugs and promises for next year under the stars.

If you haven't joined in yet, it's about time. Any OCC runner can join us by signing up at the Front Desk. Races are posted in the Beach Tunnel next to the Logo Shop. Experience and talent are optional so you have no excuse. When it comes to a good time, we'll show you how.

Our next run is the Hana Relays.

Traci Phillips 2004 Winged "O"

By Genie Kincaid

If this year's Winged "O" inductee, Traci Phillips, is to be believed, the Outrigger Canoe Club is a remarkable training ground to develop athletic excellence. Taking this fair, petite dynamo seriously can be challenging at times. She sounds like helium sabotaged her speech, and shows up for distance practice dressed as if ready to pick pine in the fields.

But she has a point, noting that a good portion of Olympians, national team athletes, NCAA champions, and Hawaii state champi-

ons can be counted among our Club membership.

And then there is Traci's own enduring record of state, national and international athletic achievements. State volleyball champion (doubles and mixed) from 1978-1981. State racquetball champion (singles, doubles, mixed) from 1981-1983. Molokai outrigger canoe champion, 1979, 1984, 1985 and 1992.

Member of the U.S. Olympic Team (K-1, K-2, K-4) for the years 1988, 1992, and 1996. Member of the U.S. National Kayak Team from 1986-1996.

Twice selected as the top kayaker in the U.S. The World Championships from 1986-1996 (except Olympic years). And gold and silver medals in K-1 and K-2 at the 1995 Pan-American Games.

And it all started right here at the Club, she insists, from "little kid days" with surfing lessons at Tongg's from Charlie Amalu and Bill Capp. She grew up at the Club loving ocean sports.

She giggles at the memory of Bill Capp buying her first surfboard - an 8 foot tanker when she was about 9 years old. She went on to compete in and win numerous OCC, Ala Moana, Queen's, Chun's Reef, and Haleiwa junior and open surfing meets.

As fellow Winged "O", Kisi Haine, recalls, "Trace was an awesome surfer, awesome athlete. Everything she did, she did great. But when I think back to those days, I just remember a big white lip."

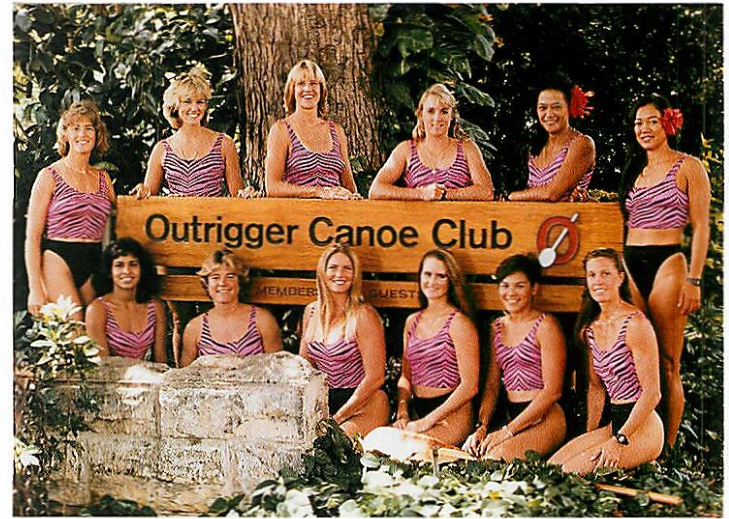

Having no siblings, she grew up thinking of the Haine, Rigg, Balding and McGee kids as her brothers and sisters. "I was pretty much a loner, Kisi was my sister, and we all surfed and played beach volleyball at the Club. I think I played volleyball tournaments with every Rigg except Doug and Lisa."

Growing up around such gifted athletes at Outrigger, Traci felt like they all pushed each other to a point where they were always getting better, no matter what sport they did.

When she started outrigger paddling, there were no age group categories. Novice was the entry level crew. She got steering lessons from none but the best, Fred Hemmings and Tommy Conner. And the list of sprint and distance competitions Traci raced on behalf of the Club is

for the most part long and golden.

She eventually began sharing her technical knowledge, coaching junior crews but her favorite coaching experience was the 1997 Mens Novice A crew (Andrew Nichols, James Triplett, Chris Laird, Keith Cockett, Rob Farrow, Paki Vaughan).

Traci Phillips (top row, third from right) was a member of the winning OCC 1985 Na Wahine O Ke Kai crew.

She worked with that crew, watched them steadily improve with every regatta, and at the Oahu's at Keehi that year, watched them win a close race with a strong time of 7:03.06, right there in lane 1. "Then they had the worst race at States! Junk lane, wrong flag!! But still, it's one of my proudest athletic moments," she giggled.

Outrigger has been and always will be her home. It was where she grew up, and where family and friends are. And all in her ohana would aver there is no one who performs with more heart, and who achieved so much through sheer mental determination.

The helium-filled squeak in her voice is gone, overtaken by sincere probity. "At Outrigger, there's so much excellence around you, you have no choice but to be better, and to strive for that same excellence."

Three Elected to Life Membership

Three former presidents of the Outrigger Canoe Club were elected to Life Membership at the Annual Meeting of the Club in February.

The three men are long-time members of the Club, having joined in the 1940s, and were involved in many Club activities during the years. Each served two terms as President of the OCC.

Roy C. Kesner Jr.

Roy C. Kesner Jr. has served the Club in a distinguished manner since becoming a member at age 15 on April 1, 1942. He twice served as President of the OCC, in 1976-77 and in 1986-87.

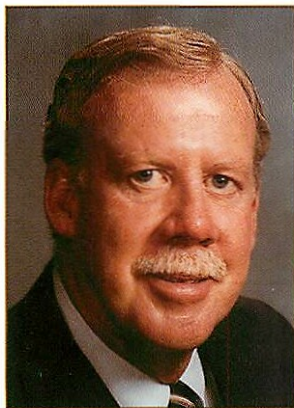

During his terms, membership in the Club grew,

and a number of maintenance projects were completed.

After his first term as President, member's equity in the Club increased to \$1,572,000. After his second term, member's equity had risen to \$5,097,000.

In addition to his terms as President, he also served the Club as treasurer, vice president of activities and vice president of operations.

He was the first president of the Outrigger Duke Kahanamoku Foundation when the Outrigger Foundation and the Duke Kahanamoku Foundation merged in 1986.

Robert W. Guild

Robert W. Guild or Rab as he is known, joined the OCC in 1947 at the age of 18. He also served the Club twice as its President, in 1973-1974 and 1985-1986.

Under Rab's leadership, there were improvements in the Food and Beverage operations, new uniforms for F&B staff, the old OCC china was

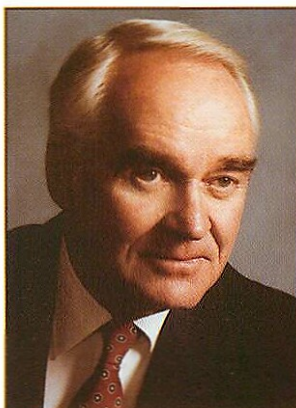

sold to members, and the installation of a new large screen TV in the Bar and an improved menu was for

Monday night football games.

A popular Club drink, the Rab, is named after him.

Rab also served on the Board of Directors of the Outrigger Duke Kahanamoku Foundation for 13 years and was its president in 1987.

He is the father of another former OCC President Walter Guild.

Benjamin B. Cassidy Jr.

Retired Brigadier

General Benjamin J. Cassidy Jr. joined the OCC in 1947 at the age of 25. He was a distinguished career officer and veteran of the U.S. Army Air Corps and U.S. Air Force, serving in World War II, Korea and Vietnam, and earning the Distinguished

Defense Service Medal and Silver Star among his honors.

Ben chaired the Admissions and Membership Committee in 1978, served as Secretary of the Board of Directors in 1980, as vice president of operations in 1981 and 1982 and was president for two terms, 1983-1985.

During his term of office, phase 2 of the kitchen renovations was completed, there was a complete rewrite of the Membership Handbook, and an intensive study and review of the reciprocal club program.

Like his fellow Life Members, Ben served on the ODKF for 10 years, including president in 1997-1998.

Congratulations to all of our Life Members.

54 Years Ago 1950

Wilford D. Godbold, President

Outrigger Canoe Club member Mrs. Seymour Obermer, a prominent English poet and playwright who writes under the name Nesta Sawyer, wrote this ode to "The Beachboys" as a Memorial Day tribute.

The Beachboys

"Oh to be a Beachboy
Upon Waikiki Beach
To live in golden sunshine
And to hear the tourist screech!
For "Curly" and for "Laughing John"
For "Chick" and for "Earl King"
Who put them all on surfboards
Where they puff like anything!

Oh! To be Beachboy
On seas of green and blue
With a bevy of young beauties
In an Outrigger Canoe!
With "Turkey" as the steersman
Who drowns with loud guffaws
The squeaks of timorous ladies who get
Splashed by all the oars!

Oh! To be a Beachboy
And work with "Sally Hale"
For when he wears his Admiral's cap
Even the tourists quail;
There's "Sally" and there's "Sally"
But the Boys can always tell
Which "Sally's" in the Alley
For there is a difference. . .well!!!

Oh! To be a Beachboy
And go fishing with a spear
And disappear for hours
While the pupils drop a tear!
To return with grins and gooseflesh
Chilled to the bone and marrow
With fish of every race and creed
Enough to fill a barrow!

Oh! To be a Beachboy
And show you're very clever
Give Lomi-lomis, play Ball Games,
Surf, swim in any weather.
But NOT to be a Beachboy
When you find your "Ham and Eggs"
Weighs just upon three hundred pounds
That's heavy on the legs!!

And NOT to be a Beachboy
When too many boats need lifting
That's the only time a Beachboy
Ever really thinks of shifting!
But please remain, O Beachboys!
For without you it would be
A dreary, weary, boring place
This beach at Waikiki!"

—By Nesta Sawyer

44 Years Ago 1960

J. Ward Russell, President

Relatives and friends gathered at the Club for the scattering of ashes of Sam Poepoe. One of the finest athletes in the history of the Outrigger Canoe Club, Mr. Poepoe led "Winged-O" football, track and swimming teams and was a surfing and canoe team champion for many years. The Sam Poepoe Memorial Trophy is to be awarded to the winner of the Boys 14-and-under event at the Walter Macfarlane Regatta.

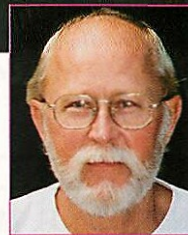

Las Vegas Nite, a sell out, was held on the OCC Sundeck with chuckwagon dinner at \$4.00 per person. There was dancing to Dixiecat music and games for all with prizes awarded to the highest bidder with his stage money.

OCC's highly regarded volleyball team returned home from the National AAU Championships in Dallas with a hard won seventh place among the 14 entries. The national title went to the Westside Jewish Community squad of Los Angeles, followed by the Hollywood Stars; Stockton, California, the Air Force Champions; the Ukrainian team from New York, and the Hollywood Comets. Outrigger's team members were: Bill Baird, Pete Balding, Ron Rima, Bill Heilbron, Ron Sorrell, Bill Cross, Pat Wyman, Bobby Daniels, Tom Haine, Mark Auerbach, Pete Velasco, and Art Lange; Coach Dr. Beardmore.

Board Briefs

Board Briefs is taken from the minutes of the March 25, 2004 Board of Directors meeting.

General Manager's Report: There was a net income of \$57,134 for February, which is \$45,334 better than budget. Year to date there was net operating fund income of \$113,069, which is \$85,069 better than budget. The combined food and beverage income with the mini charge was \$9,372.

The shoring of the volleyball structure is underway with shoring supports planned for the underside of the court located in the Snack Shop and the men's and women's locker rooms. The shoring support is required to support the additional weight of the sand as it is pushed to one side of the court so that the cleared side can be waterproofed.

Based on the current analysis completed by the structural engineer, the shoring supports are required to be more extensive than originally anticipated. It was explained the original price quote obtained by the former Maintenance Manager was based on a visual inspection of the structure and now that the as-built drawings have been reviewed and structural calculations have been completed it has been determined that more extensive shoring is required.

Furthermore the structural engineer is now of the opinion that the current structure is under designed based on current building code standards and needs additional permanent supports to keep it from deflecting further. The final design and cost for the permanent supports has not yet been completed.

Admissions & Membership Report: The membership count was 4,678 as of February 29, 2004. . The Board approved Al Serafin, Chair, of the 2004-2005 A&M Committee; and Marc Haine, Bill Bright, Kimo Austin, Gloria Keller, David Buck, Ann Martin, Chris Smith, and Ka'ili Chun as members. . . The Board directed that the Admissions

and Membership Chair begin processing Regular and Intermediate applicants to meet the Key Metrics as stated in the Long Range Plan.

B&G Report: The Board approved Mike Cote, Chair, Building and Grounds Committee; and members John Goody, Ray Cain, Kathy Merrill, John Keoni Kino, Nancy Peacock, Donald Fowler, and Robert Moore.

House Report: The Board approved Glenn Perry, Chair, House Committee; and members Valerie Davis, Peggy Hogan, Gay Sevier, Vicki Reisner, Dale Hope, Bruce Liebert, Mike Paulin, Ron Higgins, and Alan Cambra.

Finance Report: The Board approved Bradley Totherow, Chair, Finance Committee; and members Peter Ehrman, Ken Stehouwer, Joanie Shibuya, Ed Van Lier Ribbink, Gregg Robertson, and Hal Henderson.

Long Range Planning Report: The Board approved Bob Dewitz, Chair, LRP Committee; and members Gordon Smith, Management, Keith Steiner, Chuck McCrary, Susan Merrill, Blair Norris, and Gary Sallee.

Athletic Report: The Board approved a proposal which would feature OCC paddlers modeling Lily designs in a Kathy Muller Agency photo shoot. Lily would donate approximately \$5,000 to the Canoe Racing Subcommittee Special Fund. The Board stipulated that the photography may not be conducted on Club premises; however, an OCC canoe may be used. OCC must have the right to approve copy.

Elks Club Adhoc Committee: the Board approved the rotation of the Elk's Adhoc Committee Chair from Peter Nottage to Bob Dewitz. The Elk's Adhoc Committee will report directly to the Executive Committee. The Committee consists of Bob Dewitz, Jason Oliver, Keith Steiner, Larry Johnson, J.D. Watumull, and William Swope. Peter Nottage resigned from the committee.

Employee of the Month

Really Nice Guy Ron Baker is our Employee of the Month, and if you get a chance to talk to him, you will agree, he IS really nice.

Although officially a Beach Attendant, lately you have seen him at the Front Desk, helping out for employees on leave. And, before the Beach, you saw him on the Hau Terrace, so he has been around, and is very amenable to learning and training in all these arenas.

In a previous existence he was a Colorado Ski Bum and a bartender, but he has a mother and stepfather living here in Honolulu, and he decided it was time to come home. Half French and half Korean, he fits right in locally, and his love of the ocean fits right in at OCC.

He is learning to work with the canoes, learning life saving and has recently been certified as a First Responder which is a first aid designation. Long range plans include EMT and paramedic training at KCC, and as long as it's water-hopefully at OCC.

He loves to hike, read books, and you read it here—he is 30, single and looking.
